## **BVC Logistics Handles India's First Export Under ECTA**

BVC Logistics, a leading secure logistics company, announced the successful shipment of the first export under the India-Australia Economic Cooperation and Trade Agreement (ECTA).

The shipment was sent within hours of ECTA coming into force on 29<sup>th</sup> December 2022 for its client [Venus Jewel](#). Earlier this year, BVC achieved another milestone of facilitating the first consignment under the CEPA agreement between India and UAE.

Bhavik Chinai, Group CEO, BVC, said, "BVC is proud to facilitate yet another milestone for our industry by enabling the first exports from both BDB ([Venus](#)) and SEEPZ (Jewelex) to Australia under ECTA, which is India's second trade agreement in 2022 in which we enabled the first exports. Team BVC is committed to enable logistics solutions to enhance the jewellery industry's contribution toward the export goal of the country."
